

Private and quiet at the "Manor"

4 / 9 Howitt Street, Kingston

 2  1  1

Perfectly positioned overlooking Howitt, and nestled in Kingston's ever-popular "Manor" development, is an outstanding opportunity to own an apartment that delivers on both location and privacy.

The apartment features a practical floor plan with two well-proportioned bedrooms, segregated lounge and dining rooms, a large kitchen with updated appliances and a lovely balcony which overlooks Howitt Street. Split-system heating and cooling together with double brick construction provides all year round comfort.

The location of the apartment within the complex itself is arguably the best in the development and it has all the characteristics ideal for both the live-in owner or savvy investor who is seeking a sound investment property for their portfolio.
