Don't miss your opportunity to own this charming, three bedroom ex-government home. Set in a lovely tranquil street with all the conveniences of Dickson and the City close by, it's rare to find a property with so much potential.

Positioned in a quiet, leafy location on a 694m² block. Offering two sun-filled living areas, open plan kitchen and dining as well as the lounge/living area. It has three large bedrooms, main with built-ins, bathroom with separate toilet and large laundry with direct access to the backyard. There is plenty of off street parking. The large backyard can be put to a variety of uses and offers space and privacy with plenty of scope for extension or redevelopment.

This home is only a couple of minutes drive to the Dickson shops, ten minutes to the city centre, close...
