Investor or City worker this is a once in a lifetime chance to buy into what is fast becoming the Downer Dream. These two top-drawer, hot-off-the-presses dual-occupancy homes feature spacious north facing living areas, fresh designer kitchens, three bedrooms and two and a half bathrooms. Each home is single level with neutral décor with gorgeous porcelain tiles in the living and walkway areas. Included is reverse cycle air conditioning and underfloor heating to the wet areas, double garages and enclosed fully landscaped gardens. Packed with the latest gadgets (you have got to try the pull-out mirror in the built-in robe of the master bedroom!) and painstakingly crafted, these two individual freestanding homes offer the very best in contemporary urban living, waiting for you to make them...
