

Entry into the Inner North.

236 Antill Street, Hackett

At an entry level price, this lovely three bedroom home provides a blank canvas to those seeking to break into the inner north market of Canberra. Positioned on a generous 634m² block with a north westerly aspect, the home features polished timbre floors and comprises of three bedrooms, L shaped lounge and dining, kitchen with electric cooking, separate bath and shower and separate laundry with outside access.

A steal single garage provides housing for the car and also includes a workbench and room for storage.

In original "retro style" condition and located in walking distance to local shops, the IGA, public transport and Dixon College, the home provides a great opportunity for those to renovate to their own personal tastes while securing a great inner north location. EER 0.5

Block: 634m²

UV: \$405,000
